

# Christ United – a church where all are welcome to experience the unconditional love of Jesus Christ

Christ United offers a safe and nurturing environment for change and growth. We honor the diverse spiritual traditions of the Church with openness to the Spirit and respect for the Word of God. We are committed to grassroots, laity-driven efforts, prayer and support and we acknowledge the value and participation of **everyone**; young, new and old. Christ United is compassionate in efforts to relieve physical and spiritual suffering.
